## **About BNY Mellon CSR**

At BNY Mellon, our philanthropic framework is focused on [Building the Workforce of the Future](#). We connect some of society's most under-served communities with training and education in technology and business skills to prepare them for employment in the digital age. We do this by mobilizing our company's resources and the talents of our employees to make a positive impact in the communities where we live and work.

## **Social Investment Spotlight**

BNY Mellon has made swift and significant philanthropic donations in support of COVID-19 pandemic relief across its global footprint. Our philanthropic aid has focused on: strengthening public health infrastructure, bolstering the frontlines, providing critical assistance for basic needs, supporting education's digital transition, initiating impactful workforce development solutions, and mitigating the overall effects on high-risk communities.

At BNY Mellon, the spirit of citizenship and service has inspired us for more than 235 years. Today is no exception. In the wake of this pandemic, our firm ***initiated*** a one million dollar COVID-19 Relief and Response Campaign, matching all employee donations 2:1; ***pivoted*** employee engagement in the community to virtual projects, including BNY Mellon's Signature Pro Bono Program, pairing our in-house subject matter experts with nonprofits as strategic consultants; ***established*** several community kitchens in India to serve stranded migrant workers and others from marginalized groups; and [donated hundreds of iPads®](#) to the New York City healthcare system allowing patients to connect with loved ones while in isolation.
