## Bright Funds

[brightfunds.org](http://brightfunds.org)

People have changed the way they give.  
Provide a social good platform designed for a new generation.

**Mohit Goel**  
Professional  
Services Manager

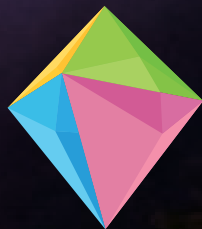

"I am all about results. I want transparency about exactly what nonprofits are doing and how effective they are. Bright Funds empowers me to have complete control."

**Elaine Andres**  
Coalition  
Manager

"Bright Funds enables me to give to causes that I may not know as much about. It helps me learn more about organizations working on those causes."

Join the world's leading  
companies and their employees  
in building a brighter world.
